Dear Mr. Glasser:

This is in response to your Freedom of Information Act request regarding:

Documents or Records in possession of EPA of interviews performed by EPA or its contractors or DOE or its contractors of current or former workers at the Santa Susana Field Laboratory site conducted as part of or for the EPA radiation survey of the Santa Susana Field Laboratory that was released in late 2012.

Responsive, releasable documents have been uploaded to EPA's FOIA ONLINE system found at <https://foiaonline.regulations.gov/foia/action/public/home>. To access the documents, reference your FOIA request as EPA-R9-2015-003292.

We are unable to provide you with some documents, or portions of documents, which have been determined to be exempt from mandatory disclosure by virtue of 5 U.S.C. 552(b)(6) (**Exemption 6 Personal Privacy**). Names, telephone numbers and electronic and physical addresses have been redacted in the interview documents provided to you. In addition, we have withheld 6 audio tapes of interviews. Redacted summaries of the tapes are being provided to you.

You may appeal this partial denial to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal may include as much or as little related information as you wish, as long as it clearly identifies the determination being appealed and includes the assigned FOIA request number - EPA-R9-2015-003292. For the quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."
